BODY INFO

Please take all measurements in centimeters and kilograms. (cm & kg)

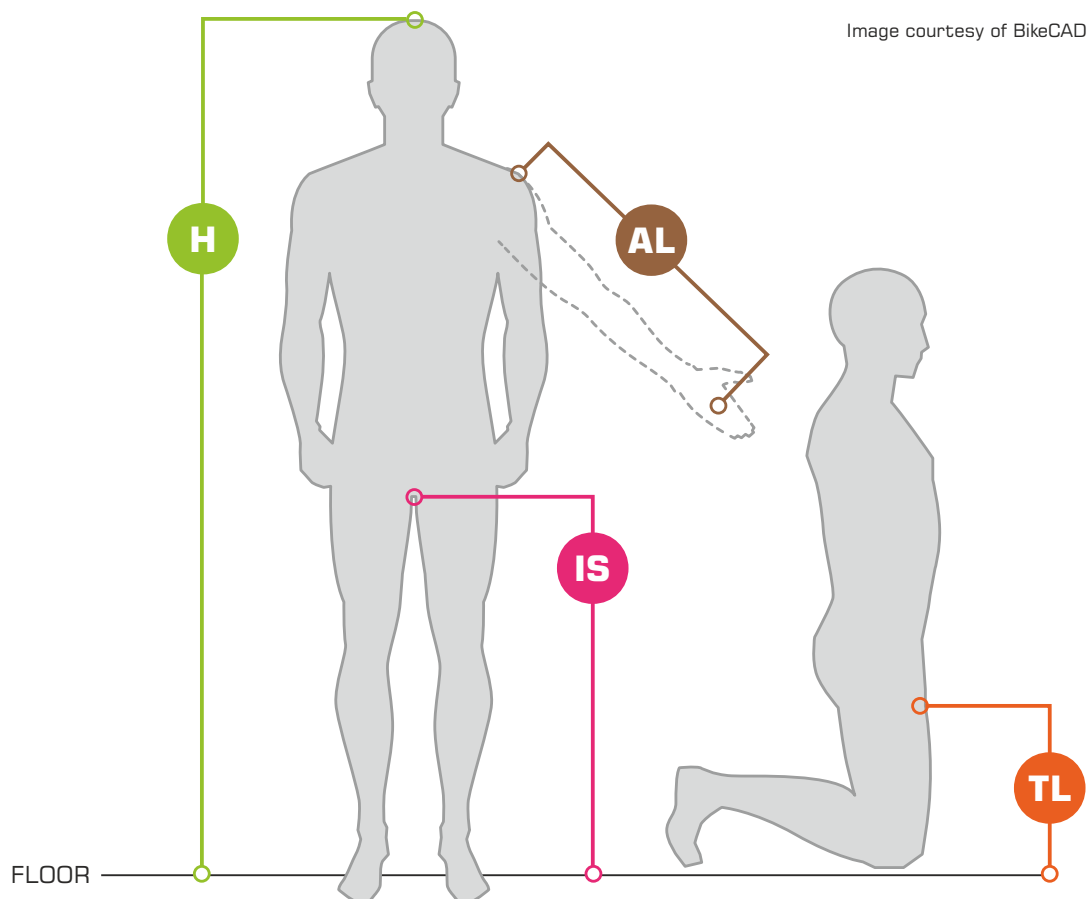

AGE: years WEIGHT: kg HEIGHT: cm

ARM LENGTH: cm INSEAM: cm THIGH LENGTH: cm

AS POSSIBLE AT A 45° ANGLE. MEASURE FROM THE ACROMION PROCESS TO THE PEN.

STILL STANDING WITH YOUR FEET APART AT SHOULDER WIDTH, HOLD A BOOK BETWEEN YOUR LEGS AND PARALLEL TO THE GROUND. PULL THE SPINE OF THE BOOK UP INTO YOUR PERINEUM WITH THE PRESSURE OF A SADDLE. MEASURE FROM THE BOOK'S SPINE TO THE GROUND. CHECK THIS MEASUREMENT A COUPLE OF EXTRA TIMES, IT IS THE MOST DIFFICULT TO TAKE ACCURATELY.

SAME AS THE INSEAM MEASUREMENT, BUT WHILE ON YOUR KNEES.

CONDITIONS

The Truebike is an experimental bicycle, designed primarily for city riding, commuting or medium level mountain biking. We do not recommend to expose the bicycle to hard conditions, like downhill riding, jumping, stair descent, U-ramp etc. These kinds of activities can cause frame damage and/or a serious injury to the rider.

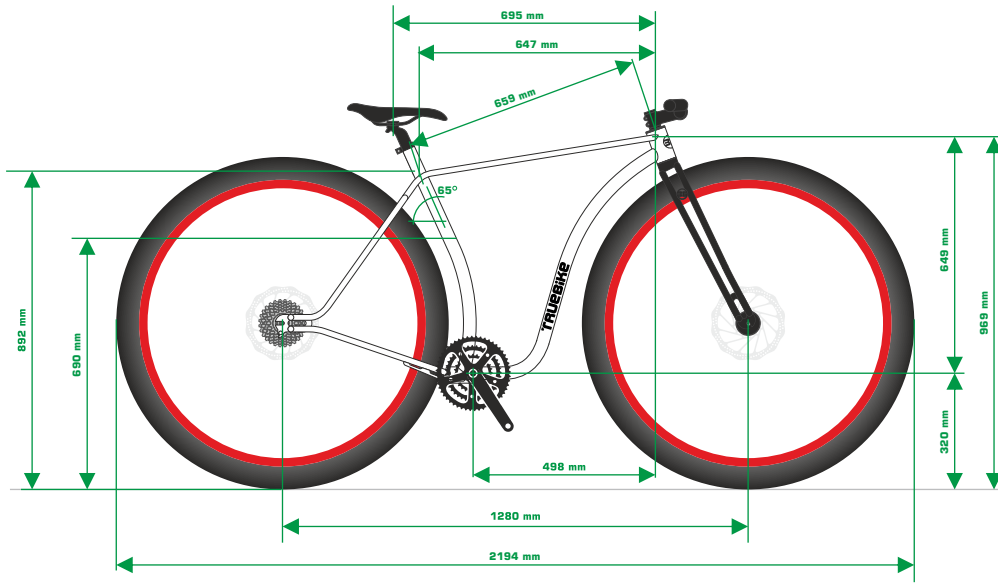

In case of extreme treatment of the frame we reserve the right to refuse your warranty claim. We believe it will never happen and you will be fully satisfied with your **TRUEBIKE**

I UNDERSTAND AND AGREE WITH THE CONDITIONS ABOVE AND WITH THE PROCESSING OF PERSONAL DATA ACCORDING TO DATA PROTECTION DECLARATION ON PAGE 5

DATA PROTECTION DECLARATION

We give a very high priority to the protection of your personal information in connection with the collection, processing and use of this information during your visit to our home page. Your data is protected as required by the provisions of the law. You will find below information on which data is collected during your visit and how it is used:

1. COLLECTION AND PROCESSING OF DATA

A record is kept of every occasion that our home page is accessed and every retrieval of information stored on the home page. The storage of this data serves internal system-related and statistical purposes. A record is kept of the name of every file retrieved, the date and time of the retrieval, the amount of data transferred, a report on the successful retrieval, web-browser and domain seeking information. The IP addresses of the computers seeking information are also recorded. Additional personal information is only recorded when you voluntarily provide this information, in connection with an inquiry or registration, via our contact form for example. There is a technique called "cookies" with the help of which information on a web site can be adapted to your requirements. Our web site uses such cookies in order to help you to make effective use of our home page. We only use information obtained in this way for the supporting function referred to.

2. USE AND FORWARDING TO OTHERS OF PERSONAL INFORMATION

Should you have provided us with personal information, we only use this information to answer your enquiries, to process contracts made with you and for purposes of technical administration. Your personal data will only be forwarded to third parties or otherwise transferred when this is necessary in order to process a contract, especially in order to transfer order data to suppliers, for invoicing purposes or you have given your consent beforehand. You have the right to revoke this consent once given at any time with respect to all future uses.

3. RIGHT TO INFORMATION, REVOCATION AND DELETION

We will be glad to provide you with the information stored on you on written application. Stored personal data will be deleted should you revoke your consent to it being retained, its knowledge no longer be required for the purpose for which the data is stored or should the storage of the data no longer be permitted for some other legal reason.

SECURITY WARNING:

We try through the use of all technical and organisational measures to store your personal data in such a way that they are inaccessible to third parties. We cannot however guarantee the complete security of the data when it is communicated by e-mail, so that we recommend that you send confidential information by post.
